

The Objectives of An Angel Ambassador

The reliable "R's"

01 React

Appropriately react and Connect to the bereaved family emotionally, mentally and physically.

02 Relate

Relate to the bereaved mom empathetically through relationship based conversation and shared experience.

03 Respond

Respond to the bereaved mom's grief through engagement with the MOHA Angel Box and Cuddle Cot.

04 Reach Out

Reach out to the health care provider to give feedback and to reach out to the bereaved mom for further support.
